Hi everyone, quick note to show your efforts at work!

We just received word from Sister Hilda that 18 children who were provided food at the Kids Center in Singida, were given their test to see if they would be qualified to enter secondary school. They all passed!

*Some good news. our kids who did their standard seven final exams they all passed to continue to secondary schools. their 18. so we will give them some school bags.and that the photos lam sendind tommorrow l will write more later. thank you .*

BYE. sr, Hilda.

This is wonderful news! Sister Hilda has worked so hard in making a good study area available and making sure they are well fed with the Kids Against Hunger meals.

This is fantastic!

Thanks again to everyone!!
